Phone Line Cost Savings Calculator

Multi-Link, Inc. makes affordable, cost-cutting telecom equipment for a wide variety of commercial, government, and residential applications. Multi-Link specializes in Telephone Line Sharing Devices, namely *The Stick*®, *Polnet*® ACP, and the *Versa-Link*™ (ATX-250).

Telephone Line Sharing Devices allow a wide range of telephony equipment to share a single line, thus reducing monthly telecom costs. Eliminating just one line, with a national average cost of \$50 per month, results in a \$600 annual savings. To determine how much you can save with our products, just fill out this simple form:
